important information

As we welcome our new Chancellor, Nancy Cantor, we begin the next step on a journey to explore new opportunities that will drive Syracuse University to an even higher level of prominence.

We begin on strong footing. SU has a 135-year tradition of academic excellence. Our students are provided with the best environment for learning—innovative faculty, state-of-the-art classroom facilities, top-notch library resources, and unique interdisciplinary academic and service opportunities.

All of this is made possible with the generous annual support of our alumni, faculty, staff, family, and friends. And your gift to the Fund for Syracuse this year will light our path.

As we embark on this journey we know that, with your help, our destination is within reach.
